### **Music Exchange/Turn In**

New music is handed out and old music collected during the concert season as needed for each concert session. It is each band member's responsibility to turn in music as requested. If you have questions, talk to your Section Manager or the Librarian.

### **Ink Cartridges**

Do you have an HP, Dell or Lexmark printer? Turn your used cartridges in to Bob Copeland, Librarian. The band will recycle them at OfficeMax to help offset paper and copying charges.

### **Winter Reminder**

As a general rule, when Okemos schools are closed, band rehearsal is cancelled for the evening. School closings are announced on morning television and radio; or, on the television and radio websites.
