## History

DeWitt Community Concert Band has a strong 40-year history of quality performances. Over the years many community musicians near and far have been part of the DCCB family.

Under the direction of Nicole Leppala since 2016, DCCB is proud to be part of the great American tradition of community band. DCCB performs for audiences in and around the mid-Michigan area and has taken its musicianship to new heights, playing exciting, authentic, and relatable music. Making music in DCCB is enjoyed by the musicians and then shared with all people. DCCB is proud to perform in local area venues such as The DeWitt Ox Roast, The Fall children's event Pumpkin Palooza in Dewitt, The St. John's Mint Festival, seasonal concerts in many of the area's retirement communities, local venues, and collaborative concerts with Portland Orchestra, Charlotte Community Band, and other local community groups. DCCB would like to thank DeWitt Public School, Community Education and DeWitt's Band Directors for its support for over 40 years and its continued support for the community musical arts. *DCCB always welcomes new members ages 9<sup>th</sup> grade and older.*
